

DECLARATION FOR REISSUE APPLICATION

Docket No.: P3988

As the below named inventor I hereby declare that:

Both my residence and post office addresses are as stated below, and I am a citizen of the United States of America.

I verily believe that I am the original, first, and sole inventor of the invention entitled: **STORAGE DEVICE WITH SUPPORT CARRIER AND METHOD** which is described and claimed in the attached specification;

I have reviewed and understand the contents of the attached specification, including the claims;

I do not know and do not believe that the invention was ever known or used in the United States of America before my invention thereof, or patented or described in any printed publication in any country before my invention thereof;

I acknowledge my duty to disclose all information known to me to be material to the patentability of my invention as defined in 37 CFR §1.56;

Said invention has been patented and made the subject matter of United States Patent 5,482,226 on an application filed by me;

These errors arose due to my attorney failing to appreciate the full scope of the invention. These errors were discovered by the attorney for my licensee, as identified in the attached Small Entity Declarations. These errors arose without deceptive intention.

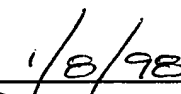

I hereby declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
